COSMIC WEBCRAFT

(WEB DEVELOPMENT)

DESCRIPTION:

Join **COSMIC WEBCRAFT,** an exhilarating Web Development Event where creativity meets innovation! Unleash your creativity and coding prowess as you craft innovative, interactive web solutions. Engage with other like-minded developers and compete for recognition in a collaborative and innovative environment.

EVENT DETAILS:

Participants will be given with a Figma UI design on the day of event, they must develop a website (may use any web technologies of their choice) based on the design given to them.

Duration of the event: Maximum of 3 hours. Within the given time limit, participants must complete the website (Note: No extra time will be provided).

ELIGIBILITY:

The web development event is open to all students enrolled in the event.

REGISTRATION:

A team can submit only one entry for the contest. A participant is not allowed to be in more than 1 team.

RULES:

1. Participants can either participate in the event alone or as a team with a maximum of 2 participants.
2. Participants can use any web design tools and technologies of their choice to develop their website.
3. Participants are asked to bring their **own laptops** with all requirements pre-installed.
4. All websites must be original and should be created in particular to the theme within the given time limit.
5. No plagiarism, cheating, or any unethical behavior, and outline consequences for violations. Inappropriate contents should be prohibited.

CRITERIA OF JUDGEMENT:

1. Based on the uniqueness, creativity of the design and the current technology stack used.
2. Functionalities like responsiveness, interactive web pages, and navigation are considered.
